### Honor Band Parent Volunteers/Chaperones

Parents,

In an effort to make the Honor Band Program run as smoothly as in the past, we are asking for parents interested in chaperoning and volunteering throughout the year. We need chaperones for the Honor Band Spring Tour as well as for the Dallas Brass concert in January. We are also looking for a few parents to help put together a small reception after the Honor Band concert in April. Please indicate below if you are interested in any availability. Thank you in advance for your support of the Honor Band Program.
